H. Information About Unum Retained Asset Accounts – By placing the funds in a Unum Retained Asset Account the beneficiary will have the time needed to decide how to best manage the insurance proceeds so as not to put his/her investment decisions at risk. Here's how it works:

- · When the claim is approved, a personalized book of bank drafts and an opening account statement will be mailed to the beneficiary.
- · He/She will have unlimited access to the balance in the account.
- The entire account balance can be accessed by the use of one draft.
- Drafts can be written for a minimum of \$250 up to the full account balance at any time. There is no limit on the number of withdrawals that can be made from the account.
- No charges will be made to the Unum Retained Asset Account for writing drafts or ordering a new supply of drafts.
 - The following charges will be made to the Unum Retained Asset Account for any request for:
 - A copy of a draft or statement (\$5);
 - A stop payment of a draft (\$15);
 - A draft returned as unpaid, requests for additional statements, and requests for additional copies of IRS Form 1099-INT (\$10); and
 - Draft book rush orders (\$25).
- · A quarterly statement is provided, detailing the account balance, interest rate, accrued interest and account transactions for the statement period.
- Funds in the Unum Retained Asset Account are fully guaranteed by Unum Group. The funds are not protected by the FDIC, but are protected by state Guaranty Associations. To learn more about the protections provided by these associations, the beneficiary may contact the National Organization of Life and Health Insurance Guaranty Associations at nolhga.com or 703-481-5206.
- The beneficiary may leave the money in the Unum Retained Asset Account for as long as he/she wishes. If there is no account activity or any contact with the beneficiary for two years, we will attempt to contact him/her. If we are unable to contact the beneficiary, we could be required to surrender the account balance to the state of his/her last known residence.

Unum will retain the funds and invest them in its general account for as long as they remain in the Unum Retained Asset Account. Unum guarantees the account balance and will pay a competitive interest rate regardless of the investment performance of Unum's general account. Unum may derive income from the total gains received on the investment of the balance of the funds in the retained asset account.

The interest rate is determined by monitoring rates of interest offered on similar types of accounts (i.e. checking, savings and money market accounts). Any changes to the interest rate will be disclosed via a quarterly account statement.

The interest earned on the Unum Retained Asset Account may be taxable. The beneficiary should consult a tax advisor, an investment advisor, or another financial advisor with any questions. For further information, the beneficiary should contact his/her state insurance department.
