Information regarding insurability will be treated as confidential. Unum may, however, make a brief report to the Medical Information Bureau, a nonprofit membership organization of life insurance companies, which operates an information exchange on behalf of its members. If you apply to another bureau member company for life or health insurance coverage, or if you submit a claim for benefits to such a company, the Bureau will supply the company with the information in its file if that information is requested.

Information furnished by the Bureau may alert the Insurer to the possible need for further investigation, but it should be noted that any information received from the Bureau cannot be used as the basis for evaluating a person proposed for coverage. The Bureau is not a repository of medical records, and the information in its files does not reveal whether previous applications for coverage have been accepted, rated for extra risk, or declined.
